Conrad Jon Godly

JD Malat Gallery is proud to present *RENAISSANCE*, the much-anticipated comeback exhibition by Conrad Jon Godly. Spanning two floors of the London gallery, this is Godly's largest body of work to date.

After a four-year hiatus from painting, Conrad Jon Godly presents *RENAISSANCE*. Consisting of forty-four paintings, this new body of work is as mesmerising as it is sentimental. At once, deeply beautiful yet thought provoking, this series is undeniably Godly's strongest engagement with the age-old fascination of the sublimity of nature to date. We are delighted to be showcasing these works to his international collectors and to our trusted clients worldwide. We hope that you enjoy this exhibition as much as we have loved discovering each and every mountain.
