

JD MALAT GALLERY

Made in the UAE | JD Malat Gallery Dubai | July 2025

JD Malat Gallery is excited to announce *Made in the UAE*, a curatorial initiative designed to identify and amplify emerging contemporary artists working within the United Arab Emirates. Open to artists working in painting, photography, sculpture, installation, or video, the project invites submissions from those with a strong artistic vision and an innovative approach to material and form. A panel composed of regional curators and international art world professionals will review submissions and select five artists to be featured in a group exhibition at JD Malat Gallery's Dubai location in December 2025.

Made in the UAE engages directly with the UAE's evolving cultural landscape, highlighting artists whose practices reflect the region's complexity and momentum. It offers a platform for artistic rigour and visibility, while fostering dialogue between local voices and international audiences.

Submissions open on **7th July 2025** and close on **15th October 2025**.
